RE: OKERE COMMUNITY DEVELOPMENT PROJECT
(OKERE CITY)

TO WHOM IT MAY CONCERN:

Dear Sir/madam,

The above mentioned reference has existed in my area since 2019 with the following aims and objectives;

- i) Providing Adult education and basic education.
- ii) Operating nursery and primary education privately
- iii) Giving out soft loans (VSLA) to communities
- iv) Providing business development.
- v) Operating clinic/Health centre to promote the health of Okere communities and others.
- vi) Giving out farmers input to support Agriculture eg giving improved seeds, fertilizers, Pesticides, etc
- vii) Providing Agricultural extension services like training farmers and local leaders with modern skills of farming.

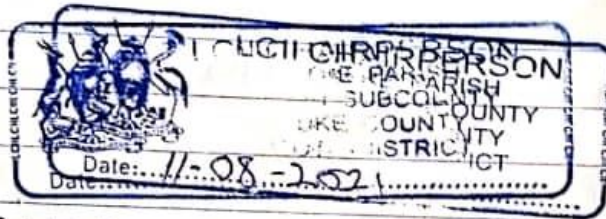

Above all, the above project is fully registered with Otuke district local government. In conclusion, our office do recommend the project and request

P.T.O Pg 1

any other Organisation (NGOs), donors
Government to give the helping hand
to them in order for the Project to
improve the livelihood of the people
of Okere parish and Adwavi subcounty
as a whole.

Thanks,

Yours in service
