### RECOMMENDING OKERE CITY

I am delighted to applaud Okere Community Development Project (Okere City) for their tireless effort to champion community transformation in Otuke District.

Okere City is a registered community based organization in Otuke District that began their operations in 2019. Since then, they have emerged as an innovation global example of how rural development can be done using both sustainable and participatory approaches. For instance, they run multiple projects which include a community health center, a nursery and primary school as well as other economic development activities.

They also have a shea butter cooperative society, and a village banking project which support economic empowerment for women in the village.

As a district, we are happy to endorse the work of work of Okere City as they strive to make the life of the local people in Okere better and their dreams more achievable with the limited resources at their disposable.

The purpose of this letter therefore, is to recommend you to support Okere City in any way that you possible can.
